Nekaia 2006 Pinot Noir

Vineyard: 75 % Durant Vineyard; 25% Vista Hills Vineyard

Production: 721 cases

A selection of barrels that are more forward, fruit-driven and approachable, the Nekaia is our first release and intended to drink well out of the gates. Both Vista Hills Vineyard and Durant Vineyard are located in the Dundee Hills near our estate vineyard and winery.

Notes:

"A mix of red berry and briar aromas lead to intense, forward flavors of dark berry and brown spice. Moderate depth and complexity, but wonderfully approachable and ready." - **White Rose Wines**
